Robert Kaufman has 900 free sewing patterns available that famous template designers and sewing bloggers have created using their fabric. Although they are designed to show off Robert Kaufman fabrics, you can download them and use them to create your next project in any fabric you like. You will find patterns for blankets, pillows, table runners, blanket covers, bags, purses, floor cushions, baby clothes, baskets, napkins, Christmas skirts, backpacks, napkins, hats, women's clothing, and more. You can sort templates by type, style, size and skill level, or enter the search term to find your next project. Courtesy Sew It, Stuff It Project excerpts from Sew it, Stuff It: Cut, Stitch, and sew 25 adorable soft toys. As beautiful as a summer garden, flowers abound on this sweet little rag doll. Delicate embroidered lawn and muslin are mixed with pins and floral twigs. The fabric flowers at the waist and head echo the fine hand embroidery on the small apron, which is fashioned from an old handkerchief. Materials: - V1-v5 patterns (see PDF). 101/2 x 12 inches (26 x 30 cm) spotted body and hand tissue 5 x 5 inches (12 x 12 cm) flesh-colored fabric for face and hands - 5 x 5 inches (12 x 12 cm) contrasting simple fabric For the back of the head - 12 x 12 in (30 x 30 cm) fabric floral print for legs - 8 x 13 inches (20 x 32 cm) muslin for skirt - embroidered handkerchief for apron No 28 inches (70 cm) satin ribbon , 1/4 inches (5 mm) wide - Pink, Red and black felt for facial features - 3 x 40-1 (100 cm) lengths of pure wool light worst (double knitting) hair yarnr' - 2 small silk flowers - Hollow fiber filling - Sewing machine - Needle and appropriate sewing threads Passage: 1 Pin head, body, hands, hands and legs models of relevant fabrics. Cut out two heads, two body parts, four arms and arms, and four legs. Transfer all the markings from paper patterns to fabric. Remove the paper patterns. 2 Lightly transfer the face markings to the right side of the flesh-colored face. Cut out small circles of felt for the eyes, mouth and pink cheeks (a hole kick is perfect for this) and glue them to your head. To make the fringe looped, take three 2 1/2-in (6-cm) wool strands, fold them in half, put them side by side at the top of your head, and baste (tack) in place. 3 On the right side together, pin, baste (tack), and machine stitch together the front and back of the head and body. Click open the seams. 4 On the right side together, leveling the untreated edges, lay the posterior body on the top of the front of the body. Pin, baste (tack), and machine stitch all around, leaving the bottom edge open. Trim the seam to 1/4 inches (5 mm) and cut outs along the curved edge. 5 On the right side together, pin, baste (tack), and machine stitch each hand to hand. Trim the seam to 1/4 inches (5 mm) and press open the seam. On the right side together, aligning the untreated edges, one back hand on the front hand. Pin, baste (tack), and machine stitch all around, leaving the right edges of the end open. Trim the seam to 1/4 inches (5 mm) and cut outs along the curved edge. Repeat for the other arm and legs. 6 Turn both arms and legs on the right side and stuff with hollow fiberglass filling. Tuck in a seam guide around the holes and neat slipstitch holes closed (see PDF). 7 Fill the body cavity with hollow fiberglass. Tuck in a seam guide around the opening. Put the doll right side up on the work surface, stick the legs, and pin them into position, aligning all the raw edges in. Pin, baste (tack), and the machine stitch the hole closed, making sure that both feet are neatly sandwiched between the front and back of the body panels. 8 Using small, neat stitches of hands, attach your hand to each side of the body, 3/8 inches (1 cm) below the seam between the head and body. 9 To make a tail braid, take three 40-inch (100-centimeter) strands of yarn, fold each in half and braid them together. Knot each end securely and tie with a small ribbon bow. Using glue or small stitches of hands, attach the scythe to the head, covering the seam line between the front and back of the head. Attach the flower of the fabric to the hairline. 10 To make a skirt, cut 8 x 13-c (20 x 32 cm) rectangle muslin. Fold the fabric in half, leveling the short ends. The machine stitches through the skirt end and press the seam open. Fold the top and bottom edges at 3/8 inches (1 cm), press and finish with the edges of the picot (see PDF). Fold the skirt along, with a picot edge of the top layer 3/8 inches (1 cm) higher than that of the sublayer. Click on the crease and, using a running stitch (see PDF), assemble the skirt. Slide the skirt onto the doll and provide with hand stitches. 11 To make an apron, cut off the corner of the embroidered handkerchief. Fold the cut edge to 3/8 inches (1 cm) and picot the edges (see PDF). Collect, put the apron over the skirt, and stitch in place. Wrap the ribbon twice around the waist and tie in a bow on the back. Decorate the waist with a cloth flower. Attach the ribbon onion to the body. Courtesy Sew It, Stuff It: Cut, Stitch, and Sew 25 Adorable Soft Toys, by Rob Merrett. CICO Books, \$19.95, 2010.
